

MARCHING STALLIONS PARENTS

Coming on September 17

TAG DAY

The Band's Largest Fundraiser

On Saturday, **September 17, 2011** we will hold our **FIRST** and **LARGEST** Band Fundraiser of the year - **Tag Day**. Usually held in September, Tag Day is synonymous with the beginning of school and a tradition in Fairfax County High Schools and Secondary Schools for over 20 years.

Student teams are driven by Adult Volunteers to all neighborhoods within the SCSS Boundaries to ask for tax-deductible contributions. It takes thousands of dollars more than the fees that are charged each group to run a complete band program, and to keep our fees low and keep music in our schools we depend on contributions from our great community.

Students - All Stallion Band Members are expected to participate: Marching, Symphonic, Concert, Jazz, Drumline and Color Guard.

Parents - You can help by ensuring that your band student participates. We also need many parents to volunteer to drive. The event will run from 9am-3pm and pizza is served to everyone for free during lunch.

Tag Day won't be a success without your help!
